## **West Physics Consulting Earns Spot on Inc. 5000 List 5 Years in a Row**

Atlanta, GA, Oct. 16, 2012 (GLOBE NEWSWIRE) -- For the 5<sup>th</sup> year in a row, Inc. Magazine has ranked West Physics Consulting, LLC on its annual Inc. 5000 list of the fastest-growing private companies in America. West Physics Consulting was ranked No. 3028 on the 2012 list as a result of posting three-year revenue growth of 71%.

The Atlanta-based company provides ACR & IAC accreditation support and quality assurance (QA) testing for diagnostic imaging equipment (MRI, CT, Ultrasound, etc.), as well as Radiation Safety Officer (RSO) services, MRI Safety services, CT Dose Reduction services and other diagnostic imaging consulting services to hospitals and imaging centers nationwide. In addition, West Physics provides a full range of radiation protection and compliance services for non-medical clients in industry, government and academic settings.

"Landing a spot on the Inc. 5000 list 5 years in a row is a huge accomplishment that we are extremely proud of," says Denny Runnion, Director of Marketing & Finance for West Physics Consulting. "Through one of the most challenging times in U.S. economic history, we have maintained these extraordinary growth rates. We are especially happy to be one of only 399 companies listed on the Inc. 5000 Honor Roll, a distinction that recognizes firms that have been on the Inc. 5000 list at least five times." Runnion adds, "Our customers are always the central focus of everything that we do at West Physics, and we are pleased that this growth has provided an opportunity to add high-quality staff members to our firm to serve their needs. During these times of high unemployment, providing jobs is important to us and to our country, and this growth gives more employees the chance to create an exceptional experience for our customers and to continue to provide the superior technical expertise which they have grown accustomed to."

### **About the Inc. 5000 List**

The 2012 Inc. 5000 is ranked according to percentage revenue growth when comparing 2008 to 2011. To qualify, companies must have been founded and generating revenue by March 31, 2008. Additionally, they had to be based in the United States, privately held, for profit, and independent--not subsidiaries or divisions of other companies. The minimum revenue required for 2008 is \$100,000; the minimum for 2011 is \$2 million. Complete results of the Inc. 5000, including company profiles and a list of the fastest-growing companies that can be sorted by industry and region can be found at [www.inc5000.com](http://www.inc5000.com).
